## RECENT DEVELOPMENTS

For the year ended December 31, 2024, the Bank reported net income of \$216.3 million, or \$4.71 per diluted common share and core net income\* of \$218.9 million or \$4.77 per diluted share. In 2024, Butterfield’s return on common equity was 21.4% with a core return on tangible common equity\* of 24.0%.

During 2024, Butterfield continued to deliver strong returns through its diversified fee income, low credit risk, Treasury/Agency investment portfolio, and effective capital management. Butterfield had an excellent finish to the year with seasonally higher non-interest income, lower funding costs, and a steady net interest margin driving a higher tangible book value per share. The positive performance in the last quarter can also be attributed to the seasonal strength of both Cayman tourism and consumer credit card spend.

YEAR END 2024 FINANCIAL RESULTS

The Bank continues to manage expenses by expanding its Halifax service center while investing in the technology required to provide an enhanced client experience. Butterfield is committed to increasing shareholder value by returning excess capital, improving operating efficiency, and exploring offshore bank and fee business acquisitions.

The Bank maintained its balanced capital return policy. The Board again declared a quarterly dividend of \$0.44 per common share. During the fourth quarter of 2024, Butterfield repurchased 1.3 million common shares under the Bank’s share repurchase program. The Board approved a new share repurchase in December 2024 to replace its expiring program, authorizing the purchase of up to 2.7 million common shares through to December 31, 2025. The new share repurchase authorization took effect on January 1, 2025.
